That is just fine. TEP comes first for sure.

So funny. They just emailed it to me like 5 mins ago. I am trying to finish the TEP piece. I had one question I needed Scott and Glenn for and Scott was at his talk today. Just got my question answered and now I am trying to finish before I leave. I will send out p-CBSA tomorrow if that is okay?

...but how long will STSC be with p-CBSA? Have they had it for awhile? Thank you
